4-bed, 2-bath, 2-story home in Geneseo filled with character inside and out! A welcoming front porch sets the tone, while original wood trim and pocket doors highlight the interior charm. The main floor offers a living room, formal dining room, kitchen, laundry room, office and a full bathroom. Upstairs you'll find 4 bedrooms and another full bath. A finished walk-up attic with skylights adds even more space and natural light, ideal as a family room, rec area, or even a 6th bedroom! Outside, part of the backyard is fenced and includes a patio. Beyond the fence is a large garden space and a 10x20 garden shed. Rounding out the property is a 2-car garage. A rare find that blends classic character with modern functions.
